

CDVA MHSA MOU WORK PLAN FOR FY 2010-2011

Highlights

- The cornerstone of CDVA's Prop 63 funding is Operation Welcome Home (OWH), a statewide information and referral system.
- MHSA MOU funds employ two FTE's that are dedicated to the OWH project.
- CDVA has distributed \$270,000 to six counties through an MOU process to provide mental health outreach to newly discharged veterans.

	Due Date	Support Role	Status on achieving objective, activities and deliverables
Goal 1: Operation Welcome Home Collaborative creation	January 2010, ongoing	Governor's Office, EDD, DMH, ADP	<ul style="list-style-type: none"> • OWH launched February 2010 • Meet with interagency team biweekly to review data about reintegration needs • Working with agency partners to facilitate the referral process
Goal 2: Publish updated 2011 Resource Book for Veterans	August 2010	DMH and ADP	Work with DMH and ADP and other agencies to update resource book for veterans.
Goal 3: Fund MOUs to six counties for enhanced mental health outreach	Sept. 2010	County Veteran Service Offices	Vet Services has issued MOU's with San Diego, LA, San Bernardino, Fresno, San Luis Obispo and Solano Counties
Goal 4: Develop the capacity for a statewide call center to assist veterans with issues and problems, including mental health concerns.	Oct 2010		Call center for business hours launched August 2010.
<ul style="list-style-type: none"> • Expand to a 24 hour call center using severely disabled veterans 	Jan 2011		
Goal 6: Promote the creation of veterans courts throughout California.	July 2011	County Judicial branch	CDVA will work with all 58 counties to help proliferate the creation of special veteran

	Due Date	Support Role	Status on achieving objective, activities and deliverables
			courts who will deal with offenders with PTSD and TBI type conditions. The goal is to get them into VA treatment and not in jail.
Goal 7: Partner with the Department of Motor Vehicles to outreach to veterans	July 2011	DMV	<ul style="list-style-type: none"> • CDVA just signed an MOU with DMV to include question about military service on the driver's license and ID Card applications and renewals for the entire state. • This will result in contact information for close to 20,000 veterans a month; in 5 years CDVA will have the names and contact information of most of the 2 million veterans in California.
